

Men's Track and Field
USATF-Colorado
July 13, 2014

Wrapped up Zoom Meet June 14th at Legacy Stadium. Lightning delay prevented completion.

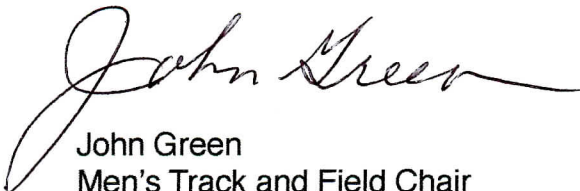

USATF State Jr. Olympics held at Legacy Stadium June 19-22. Combined events went off without a hitch on Thursday/Friday and the main portion of the meet was contested June 21st-22nd. With the help of many this meet went quite smoothly. Only cost for USATF will be a broken PV crossbar at \$75 which has been replaced.

USA Nationals in Sacramento saw many Colorado athletes compete. Some of them were:

Jeremy Dodson 100m, 200m, Joe Morris 200m, Joe Bashard 7th 5000m, David Oliver 3rd 110m hh, Trevor Brown 4th 400 IH, Tyler Curtis 3000 SC, Tabor Stevens 11th 3000 SC, Nick Frawley 7th PV, Mason Findley 3rd Discus, Lance Brooks 5th Discus, Casey Malone 15th Discus

I regret to inform the Board this will be my last meeting with USATF Colorado. I am in the process of moving back to Nebraska to reunite our family. I am thankful to have served in one capacity or another for our organization for the past 35 years. Many memories will follow with me and I wish only the best for the organization and its constituents.

Respectfully Submitted

John Green
Men's Track and Field Chair
