- The final time schedule will be posted after registration closes with estimated times for all events. Times will roll if we get behind schedule.
- The Morning session is 10&U through 13-14. Afternoon session is U20, Masters and Open plus the 3000 and TJ for all eligible athletes.
- Check in time is when check in CLOSES for your event. Morning session check in starts at 7:30am and Afternoon session Check in starts at 11:30am
- Warm Up time is when you are permitted to warm up on the warm up track for track events or your venue for field events.
- Track Events will report to staging at the time indicated, race ready to go to the track. You will receive your hip number at staging.
- Field Event times are for the youngest age group and will roll after that. You will have 10 minutes to check in, and 5 to report to staging.
- Field Event Age Groups may be combined where numbers permit and will be on a rolling schedule. Please listen for your group to be called.
- Field Events will be picked up in the Check in area and will take their gear to their venue to warm up.
- Implement Inspection for shot put will begin at 7:30a (morning session) and 11:30am (afternoon session).
- Implement Inspection for Weight Throw will begin when called.

As of November 17, 2026
