Club Affiliation Transfers

Any athlete (or parent) that would like to change their club affiliation should log in to their USATF CONNECT account and navigate to **Memberships > Actions > Transfers > Start Transfer** and then select the club they are requesting to be transferred to (see visual process on next page).

As of mid-December the USATF national office will then process the request (i.e., the USATF Colorado membership chair can not initiate transfers or approve them anymore).

Club Transfer (visual guide)

After logging into the USATF CONNECT account:

1. **Memberships**
2. **Actions**
3. **Transfers**
4. **Start Transfer**

The screenshot displays the USATF CONNECT user interface. On the left, a sidebar menu contains various options, with 'Memberships' highlighted and marked with a red box and the number '1'. The main content area is titled 'NAME' and features a 'Memberships' section with a '+ ADD MEMBERSHIP' button. Below this, a table lists one membership record. The 'Actions' column of this record is highlighted with a red box and the number '2'. A dropdown menu is open from the 'Actions' column, showing options like 'Edit', 'Delete', 'Transfers', 'History', and 'Club Affiliation History'. The 'Transfers' option is highlighted with a red box and the number '3'. Below the membership table, there is a 'Transfers' section with a '+ START TRANSFER' button highlighted with a red box and the number '4'. The table below this section has columns for 'Created Date', 'From Club', 'To Club', 'Temporary Transfer', 'Transfer Until Date', 'Type', 'Association', 'Status', and 'Cancel'.
