

YOUTH COMMITTEE REPORT

Committee once again led the association in providing competitive opportunities for young and old alike. Five meets were sanctioned, sponsored and conducted by the youth community. Participation numbers continue to rise across the board with the MLK Mile Hi Classic and Association Championship hosting 850 and 650 athletes respectfully. Kudos to all the officials, clubs and volunteers that make this program the great success that it is and the leader in the Rocky Mountain Region.

Respectfully submitted,

Don Sinclair
