

4000 Meter Course (2.48mi.)

Runners will complete the closed loop 2x. On the second lap of the loop where the star is located runners will then follow the blue arrows to the finish.

This map is just a visual aide and not used to measure each course. All courses have been hand measured to the 100th of a mile 3 times and reference checked at .5mi, 1mi, 1.5mi, and 2mi. Each finishing distance is within + or - 3 meters.
